The Classic 3

Simply making coffee an occasion

The Classic 3

Simply making coffee an occasion

Following the success of the Classic 4 and 6, the Classic 3 is built to the same exacting standards. This stainless steel constructed 3 canister machine completes the line up to provide the total desktop drinks vending solution.

The Classic range features the very latest upgraded mixing systems plus advanced button technology with backlit graphics built into the individual button offering clean lines and a clarity never possible previously.

Also standard on the Classic 3 - the latest software program requiring only volume in ml and ingredients in grams, all other required settings are loaded automatically. The Classic 3 really is the must have machine.
